

strooi

roei

maai

bloei

A coordinate plane is shown with a horizontal x-axis and a vertical y-axis intersecting at the origin. The axes are represented by thick black lines.

blaai

knoei

fraai

A coordinate system consisting of a vertical black line representing the y-axis and a horizontal black line representing the x-axis. The two lines intersect at their midpoints, forming a cross. There are no numerical markings or labels on either axis.

boei

haai

doei

kraai

prooi

A horizontal line segment with a vertical tick mark at its leftmost point, indicating the origin or a starting point.

foei

A set of horizontal handwriting lines consisting of a top line, a middle line, and a bottom line. A vertical line is positioned in the center of the middle line.

loei

A set of horizontal handwriting lines consisting of a top line, a middle line, and a bottom line. A vertical line is positioned in the center of the middle line.

sproei

A set of horizontal handwriting lines consisting of a top line, a middle line, and a bottom line. A vertical line is positioned in the center of the middle line.
