
A blank coordinate plane with a horizontal x-axis and a vertical y-axis intersecting at the origin. The axes are represented by solid black lines. There are four horizontal grid lines above the x-axis and four below it. There are four vertical grid lines to the left of the y-axis and four to the right of it. The grid lines are light gray.

A blank coordinate plane with a horizontal x-axis and a vertical y-axis intersecting at the origin. The axes are represented by solid black lines, and the grid consists of light gray dashed lines.
