

A blank coordinate grid with a horizontal x-axis and a vertical y-axis intersecting at the origin. The grid consists of 10 horizontal lines and 10 vertical lines, creating a 9x9 array of squares. The axes are labeled with numbers 1 through 9.

tijd

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.

tijdelijk

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.

noord

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.

noordelijk

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.

plaats

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.

plaatselijk

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the baseline, starting at the beginning of the word.
