

[illegible]

A blank coordinate plane grid. It features a horizontal x-axis and a vertical y-axis intersecting at the origin (0,0). The grid consists of several squares on both sides of the axes, providing a space for plotting points or graphs. There are no labels or numbers on the axes.

A blank coordinate grid consisting of a horizontal x-axis and a vertical y-axis intersecting at the origin. The grid extends to the right and upwards from the origin, with faint dashed lines indicating unit intervals. There are no labels or numbers on the axes.

worden

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.

word

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.

hangen

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.

hang

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.

lijken

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.

lijk

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is drawn from the top line to the descender line, starting at the beginning of the word.
