A blank coordinate plane with a horizontal x-axis and a vertical y-axis intersecting at the origin. The axes are represented by solid black lines. There are no tick marks or labels on the axes. The background is white with light gray horizontal grid lines.

A blank coordinate plane with a horizontal x-axis and a vertical y-axis intersecting at the origin. The axes are represented by solid black lines. There are four horizontal grid lines above the x-axis and four below it. There are four vertical grid lines to the right of the y-axis and four to the left of it. The grid lines are thin and light gray.
