A blank coordinate grid with a horizontal x-axis and a vertical y-axis intersecting at the origin. The grid consists of 10 horizontal lines and 10 vertical lines, creating a 9x9 array of squares. The axes are labeled with numbers 1 through 9.

schrikken

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

schrik

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.

schrokken

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

schrok

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.

hebben

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

heb

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.

hadden

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

had

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.

gaan

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

ga

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.

gingen

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the top line to the descender line.

ging

A set of four horizontal lines for handwriting practice: a top line, a middle line, a baseline, and a descender line. A vertical line is positioned at the start of the word, extending from the middle line to the descender line.
